

include/firebeetle
_sleep.hpp

```
graph TD; A[include/firebeetle_sleep.hpp] --> B[Arduino.h]; A --> C[esp_pm.h];
```

The diagram illustrates a C++ header file's dependencies. At the top, a box labeled 'include/firebeetle_sleep.hpp' has two blue arrows pointing downwards to two separate boxes: 'Arduino.h' on the left and 'esp_pm.h' on the right. This indicates that the 'include/firebeetle_sleep.hpp' file includes both 'Arduino.h' and 'esp_pm.h'.

Arduino.h

esp_pm.h
